WISCONSIN ATHLETICS

Contribution Information

Tax Deductibility	Contributions made in support of the athletic department's facility projects are considered charitable gifts to the University of Wisconsin Foundation and are deemed 100% tax deductible. The UW Foundation will issue a tax receipt to the donor each year.
Pledges	Contributions made in support of the athletic department's facility projects can be pledged over a five-year period.
Gift Methods	<p>Contributions made in support of the athletic department's facility projects can be made in one of three methods:</p> <p>Check made payable to UWF – UW Aquatics Center Fund</p> <p>Credit Card (American Express, Discover, MasterCard, Visa)</p> <p>Appreciated Securities - The amount of the mean market value of a listed security on the date it passes unconditionally to the UW Foundation will count as your gift. A gift of long term appreciated assets entitles you to an income tax charitable contribution deduction equal to the fair market value of the securities on the date of your gift. You may also avoid capital gains tax on any appreciation of those securities.</p>
Annual Fund	Annual contributions to the athletic department's facility projects are recognized within the Wisconsin Athletics annual giving program and subsequently earn Wisconsin Athletics Priority Points. Please note contributions made in support of the athletic department's facility projects may not replace annual contributions associated with season ticket benefits due to IRS tax regulations. Donors are encouraged to make contributions prior to April 20 each year to ensure priority for all benefits.
Recognition	Individuals who make a leadership level contribution in support of a facility project may have the opportunity to select an individual recognition opportunity. Naming recognition will remain in the facility as long as the facility exists in its current design. UW Athletics will follow up with each donor during the final construction phase of that project to confirm recognition details.
